DESIGNED BY AN ORTHOPEDIC SURGEON

Quick Relief from Elbow Pain

Elbow Band is designed to feel good all day long, so pain does not get in the way of work or play. The removable ergoBeads[®] pressure pad lets you apply firm but gentle pressure for maximum pain relief and healing.

Key benefits:

Helps relieve tennis and golfer's elbow, forearm pain, cubital tunnel syndrome, tendonitis

Utilizes ergoBeads[®] technology and provides compression to forearm muscles and tendons

Great for repetitive activities

Ideal for daily activities:

Tennis

Golf

Volleyball

Computer work
