

Plantar Fasciitis Sleeve *for Daytime Use*

NICE STRETCH® Plantar Fasciitis Sleeve is a patent-pending product which provides balanced compression and support to the ankle, arch and heel.

- Comfortable enough to wear the entire day
- X-Stretch Technology helps distribute pressure more evenly across foot
- Mimics taping methods commonly prescribed by medical professionals for relief of Plantar Fasciitis, heel pain and Achilles Tendonitis

Who needs the Plantar Fasciitis Sleeve?

Anyone seeking daytime relief from the pain of Plantar Fasciitis

People who spend a lot of time on their feet

People with high arches, flat feet or tightness in the Achilles' tendon at the back of the heel

Key Benefits

- Relieves pain from Plantar Fasciitis
- Easy, safe and effective to use
- Reusable, will withstand long-term use and a high number of washes
- Unique Bamboo Charcoal Fiber material incorporates anti-bacterial and deodorizing properties, is quick to dry and may help improve circulation to further aid in pain relief
- Not made with natural rubber latex
